Subject: CFAC Meeting at R8 Feb 3

Dear Ms. Card,

Thanks for taking my phone call earlier today. Following up on our discussion, I wanted to try to arrange a meeting between Cheryl Driscoll of CFAC and Glencore with senior EPA leadership, including Regional Administrator Shaun McGrath if available, to discuss next steps with regard to the potential listing of the CFAC site on the final National Priorities List. Accompanying Ms. Driscoll would likely be Eliot Lauer, a partner at Curtis. Because of scheduling conflicts, CFAC project manager John Stroiazzo is unable to attend in person but may be able to participate by phone.

I look forward to working with you to schedule this meeting.

Best regards,

Andrew Otis
